

PROJECT DEVELOPMENT PHASE

SPRINT-3

Date	03 November 2022
Team ID	PNT2022TMID09610
Project Name	ESTIMATION OF CROP YIELD USING DATA ANALYTICS

Creating the dashboard in COGNOS

Here, we have created the dashboard to display the visualizations which gives us the insights of crop production in India.

Following is the interactive dashboard created with different visualizations using the COGNOS platform
